Vision Help International Care Foundation's (VHICF) aims to fight poverty and elevate communities in the poorest areas within the Philippines. One of the most prominent community is in Tondo, Manila where our center located on. Despite Manila City being a multi-million metropolis housing both the rich and the famous, it houses millions of the poorest of the poor dumped on a mountain of garbage. There is an incredible poverty which robs both the young and the old a good state of health but also a hope for a better future. Families try to survive day after day, education is easily dismissed and the highest attainment is to get food on the table.

**But we believe that there is a way out of this and that is what our center stands for.**

Our project called "Adopt-a-Family" is geared towards assisting adults who have children and are willing and qualified to continue finishing their studies. Garbage scavenging only allows families to get by one day at a time but when people are given a chance to learn a trade, master a skill or pursue an ambition to take on a career, it does not only provide them with good income to feed their families but it also gives them confidence and hope—there is so much potential in them to be discovered and there is a future that does not include poverty in it. THERE IS VALUE IN EDUCATION AND WE SUPPORT THOSE WHO DESIRE TO TAKE A STEP UP AND OUT OF POVERTY THROUGH IT.

We are very thankful for your interest and heart in supporting our cause of saving, changing and rebuilding lives of families who come to us in our centers.

## GENERAL INFORMATION ABOUT ADOPT-A-FAMILY SPONSORSHIP

There is no free education in the Philippines. This is why it has been difficult to begin collegiate studies after taking up high school, much less continuing it. The educational cost for an adult learner who takes up a bachelor's degree is 60 € a month. This covers the costs for meal allowance, transportation cost, school fees and school supplies.

On top of this, for every child who wants to go to school, school fees, school clothes and school supplies plus books have to be paid. Therefore, it is a big concern for us to make this possible for each of them. For this, we need another 35 € per child per month which would cover all educational costs plus medical assistance when needed.

WE ASK YOU THEN, PLEASE HELP US SO THAT WE CAN HELP!

### Vorstand

Vorsitzender: Tobias Rink

Stellv. Vorsitzender: David Rieger

Stellv. Vorsitzender: Dietmar Rieger

Schriftführer: Frank Ziehlke

Schatzmeisterin: Ute Koppe

Beisitzer: Jean-Pierre Brautzsch
